Wow, I can hardly believe Laurel Lake has come and gone! That is my favorite trip of the year, hands down. A big THANK YOU to Linda Glore Seward, Holly Young and Mandy Stockland for organizing this year's trip and to everyone who attended and pitched in somehow. It truly is a group effort and everyone who attends, cooks, cleans up, tows the trailer, brings the wood, and brings their boat is critical to the success. We had a great time, as always, and great weather this year too! I can hardly wait for next year, July 11-15, mark it down! It is still the weekend after the 4th of July, and the 4th is a Wednesday next year, so it seems later... Plan on coming again, or plan on coming back if you haven't been in a while. There are lots of pictures on the LSC Facebook page if you haven't seen them already.

Thanks to Stuart Secuskie, Don Griffin, Dan and Laurie Dexter, Bonnie Clements and everyone else who pitched in for what turned out to be an awesome "Fan Appreciation" night at softball too! I appreciate everyone's volunteer efforts to make our events fun and successful. We had a great turnout!

Summer is in full swing, but fall and winter are fast approaching. We've still got plenty of Ohio River Boating with Admiral Don, the Gravatte's river event is always a great time, and the Dale Hollow Houseboat Trip is out in front of us, with Captain Terry Dant at the helm. I know Stuart is working on the plans for the Phoenix Hill Chili Cookoff and also the holiday party, if you're interested in helping with those events, please let him know.

Winter Kickoff will be held at our August and September Aero Club Happy Hours, August 19th and September 23rd. Those Friday happy hours have been great, if you haven't made one, come on out. Your ski trip captains, as usual, have some fantastic trips lined up for winter, so sign up early to ensure your spot. I know Dan Dexter has organized some fun stuff for those nights too!

Our LSC annual triathlon will be here before we know it too, September 24th. MC Irvin will no doubt be out with an interesting cardboard hat looking for your money... I love it!

Wow, so much to do so little time... It seems like I'm not home much these days, and I may not make meetings all the time, but you can bet I won't miss out on any of these fun activities! See ya out there!

Thanks,
Karen
Ski Club President

2012 Winter Ski Trips

Winter Ski and Sport
The Group Ski Travel Experts
Travel Proposal
Louisville Ski Club

- Travel Insurance Option for the Group or Individuals -

Travel Insurance

Winter Ski and Sport is pleased to provide a comprehensive insurance plan at an extremely affordable rate. As our lives become more complicated, last minute cancellations are becoming more common, and some parts of your club member's vacation are nonrefundable if the club is unable to find a replacement. Occasionally, members also need to cut their trips short, & return home early. Travel insurance can be added to protect a skier's hard earned vacation dollar. The policy covers cancellation costs when the cancellation stems from medical illness or injury to the participant, travel companion or family member. It does not cover the costs of cancellation for reasons of work or social schedule or snow conditions or other issues. Additional information and materials will be sent to the trip leader.

Schedule of Benefits

Benefits per person	Limits per person
Trip Cancellation	Up to Total Tour Cost
Trip Interruption	Up to Total Tour Cost
Trip Delay	\$ 500
Baggage/Personal Effect	\$ 1,000
Baggage Delay	\$ 200
Medical Expense	\$10,000
Evacuation/Repatriation	\$20,000

Pregnancy is not covered because it is not considered an illness.

When Benefits Apply

Insurance benefits become effective the day after we receive payment in our office.

Group Selling Price	Insurance Premium
\$ 600 - \$900	\$49
\$ 901 - \$1,100	\$59
\$1,101 - \$1,350	\$69
\$1,351 - \$1,500	\$79

NOTE: In many cases lift tickets are completely refundable. Deducting the lift ticket price from the amount to be covered could reduce the premium amount due.

The ski organization is encouraged to include this coverage as part of your overall package for every participant as a mandatory element. If not included for everyone, the trip leader will be provided with a very simple enrollment form to accept participant on an individual option basis. (Materials to follow.)
